2.5 Industry can provide Internships to 3rd and last year students as per their technical skills:

- It aims to facilitate internships for third-year and final-year students based on their technical skills and career interests. Internships provide students with hands-on experience in a professional environment, allowing them to apply industry knowledge, gain practical skills, and explore career paths.

- Internships may span various durations, ranging from a few weeks to several months, and may be compensated or unpaid, depending on the organization's policies and agreements. The terms and conditions of the internship will be tailored to suit the student's abilities and the conditions prevailing at the time.
- Overall, these primary objectives represent a broad vision to promote industry-academia collaboration, increase student employability, and bridge the gap between education and industry needs.

3. Coordination

Both parties EagleByte Solutions Pvt.Ltd and Gokhale Education Society's B.Y.K. (Sinnar) College of Commerce shall take all reasonable steps to cooperate and ensure successful implementation of all the measures mentioned in this MoU.
