Annual Report of Controller of Examination

BYK College of Commerce is affiliated to Savitribai Phule Pune University and undertakes semester pattern.

Continuous innovation in the evaluation process is imperative for an institution to be relevant in the present situation where more than one skill is to be tested. Some of the qualities enhancing measures taken in this area are:

Since our college is affiliated to Savitribai Phule Pune University, the examination system of the college inclusive of syllabus designing, setting of Question Papers, conduct of examination is according to the pattern of the University.

Evaluation: Continuous internal assessments through internal test, take-home assignments and periodic evaluation of projects and on the basis of discipline, communication skills, ability to take initiatives, good behavioral patterns and innovative efforts introduced in the formative tests to ensure effective learning outcomes.

The evaluation Process is transparent and Robust in BYK College. The evaluation processes are communicated to the students.

The evaluation Processes are notified on the Notice Board/ WhatsApp Group.

During Induction Program and at the introductory sessions' student is well informed that he/she has to take up test, Assignments, Presentations and Semester examination conducted by the college during the course of study.

According to University Rule, a U.G. student has to get at least 40% marks in aggregate in one examination and 75% attendance to qualify for the final examination. P.G. Student should also get 40% marks in each written Paper in one examination. There is Separate Passing for internals and externals.

Semester System and 2019 Choice Based Credit System (CBCS) system is followed by the college as per the Savitribai Phule Pune University guidelines.

Internal Re-test conducted for the welfare of students involved in various activities such as Sports activities during the sessions, NCC, NSS activities, Youth festival.

Incentives to students are encouraged such as Awards for Toppers in the University, Awards/ Medals for students placed in University Merit List.

Under the guidance of the head of the institution, examination committee and the administrative staff of college ensure the effective implementation of the evaluation reforms. Members of examination committee for each class and restructuring programme are appointed to check the smooth conduct of the exams in all respects such as:

Seating Plan is generated under the supervision of the member of the examination committee on duty before the commencement of exams.

On the day of examination, if any issue is aroused related to question Papers, supervisory staff, and non teaching staff, is handled by the member of committee on duty.

It is also the duty of the members of the examination committee to check whether the answer sheets for evaluation have been collected from the examination center by the concerned teacher within the time specified on the notice or not.

After the examination the teachers are asked to submit the mark list within 15 days from the completion of the examination.

Year 2020, the period of Pandemic, the lockdown has made the education system work on online mode. Students were prepared and created awareness about online exams. They were oriented for online mode exams.

The examination is held as per the semester pattern.
