Sports and Cultural Report 2023-2024

The purpose of the sports and cultural activities is to allow students to develop leadership qualities and management skills, identify their hidden talents & teamwork. These activities help them to improve the holistic development of students. Sports and the event give a platform to participate in over 23 sports activities, and 250+ students participate in them. 119 students were selected for inter-zonal and inter-university sports activities, which include 25 to 28 versatile sports events across the state. With this, the College organised the Sir Dr M. S. Gosavi Inter-collegiate T20 Cricket tournament 2023-24, which includes 8 teams from different districts across the state, with around 103 students participating.

This academic year, our students participated in national, state-level, and district-level intercollegiate competitions like student Elocution, Debate, Poetry reading, Essay Writing, Singing, Dance, Fine Art, Act Play, Street Play, etc. Savitribai Phule Pune University is also giving the students exposure. Youth Festival is an SPPU University-level competition where students showcase various talents on stage. It is an opportunity for the students to showcase their accomplishments at the state and national levels.

'Swar-Rang Youth Festival' is a District-level cultural platform for SPPU. 'Indradhanushya' is a state-level youth festival. After these two rounds, the university selects the students for the national-level youth festival, an India-level inter-university youth festival. College students actively participate in the various cultural programs and activities the College conducts.
